Ron,

Don Sullivan, Globe Office, Tonto called me. We are good to go he says. I guess he likes to do things verbally.... I will get an e-mail or a letter in the mail by the time of the event he says. All people at Tonto will be aware he said. So even with nothing in written, if a ranger shows up we can refer to our calls with Don Sullivan.

Erik

Don,

For orienteering at Picketpost Sat Dec 10th, are we good? We were hoping for an e-mail or something saying OK. Our Bartlett Orienteering event went off without a hitch.

Thanks,

Hi Erik:

I sent our Ranger an email asking if he just wants to authorize the Picketpost event with a letter. I will let you know when I hear back from him. Bartlett would be a different Ranger and letter.

Thanks.
