Greater Phoenix Orienteering Club - Getting There is ALL the Fun!

## Family Camp-Out Aug 9-10

The forests are now open, fire restrictions lifted, and we can hold our annual family camp-out near the top of Mormon Mountain. Bob Kuhn, one of our most active club members, is hosting this event and he is doing all the work so let's show him our appreciation.

Bob will bring up a trailer, tables and canopies and will also have the portable toilets set up. Someone will be there all day Friday and Saturday so you can arrive whenever. Should we be temporarily gone, just park nearby and set up your camp. You'll know our site by the orange/white orienteering signs.

This is a social event for club members and their guests and there are **no charges** for any of the activities. (You Tucson club friends are considered our guests and are welcome to join us.) The club will provide BBQ meats, fixin's and non-alcoholic beverages for a Saturday afternoon picnic. Side dishes and snacks are pot-luck. All other meals are on your own but cooking facilities will be available. There will be donkey rides (175# weight limit) and an orienteering course near the camp. Prepare for rain.

There will be donkey rides (175# weight limit) and an easy orienteering course near the camp. Start times are when-you-get-there. Beginner's clinic will happen as needed. Bring along your favorite campfire stories to share at the evening campfire.

Bob needs to know how many are coming so he can buy enough food. To RSVP, call Bob at (623) 582-5899 or email [ulazyk@cox.net](mailto:ulazyk@cox.net) or [gphxoc@yahoo.com](mailto:gphxoc@yahoo.com).

Directions: **From Phoenix** (9 miles of dirt road), take I-17 north to the Munds Park exit. Follow the main road (FR 240) through Munds Park for 10 miles then make a sharp left on FR 132A. Our site will be about 1 mile on the left.

**From East Valley** (3 miles of dirt road), use Hwy 87 (Beeline) then take Hwy #3 towards Clint's Well. Exit Hwy #3 at Mormon Village. Follow the main road through Mormon Village to mile marker 5 and exit on FR #240 towards Munds Park. Go 2 miles to FR #132A and bear right about 1 mile to our camp. Follow the orange/white O signs.

Keep in mind, these are public lands and it's possible that another group will have come even earlier and taken over our preferred site. In that case, we will move to a nearby site and leave someone or signs at the original site to guide you to the new place.

See inside for an insert with directions and map.

## Orienteering at Thumb Butte September 27

Come join us for a weekend of camping and Orienteering in the cool pines near Prescott. Temperatures will be mild, with a typical day being clear with highs in the mid-70's and lows in the mid-40's. Primitive camping sites are available near the start of the orienteering courses.

The terrain is mostly open Ponderosa pine forest, with only occasional regions of thick brush. This makes for fairly easy (and shady) cross-country travel. We will have orienteering courses for beginning, intermediate and advanced levels, **and will also be including a Night-O course**. This event is the next step in our club's progression toward a "B" meet this winter—we will be featuring the improved color orienteering maps and will run this event as a B meet. Of course, if you

prefer a more relaxed approach to orienteering, participants can register in the recreational class in lieu of the competitive class.

After the events, gather around the campfire and exchange stories about our adventures. The Night-O will be particularly interesting, since there will be no moon that night!

The meet director for this event is Glenn Haselfeld. Please call him at 623-939-8520 if you would like to volunteer for either the daytime or Night courses. All volunteers are greatly appreciated.

More information will be included with the September newsletter.

## Additional Opportunities

### PHOENIX

The Phoenix Urban Challenge is coming up Saturday October 18th. Take on a unique urban adventure! Two-person teams find and visit 12 checkpoints on the unrehearsed urban landscape using only clues, their feet, and public transit. No set course. Event begins with a Trivia Challenge — the sharpest teams get a head start. Details at <http://www.urbanchallenge.com/phoenix/>

### WASHINGTON STATE

Sponsored by Bob Kuhn

The camp's elevation is 7,578 feet: the GPS location is: N34 degrees 57' 08.3" and W 111 degrees 32' 09.9". Expect afternoon summer showers—50 degrees at night and 80 degrees daytime. The mountain dirt roads are relatively flat, pot-holes or rocks in some areas, and will accommodate almost all cars.

Bob will bring up a trailer, tables and canopies and will also have the portable toilets set up. Someone will be there all day Friday and Saturday so you can arrive whenever. Should we be temporarily gone, just park nearby and set up your camp. You'll know our site by the orange/white orienteering signs. The club will provide BBQ meats, fixin's and non-alcoholic beverages for a Saturday afternoon picnic (about 2:00 PM). Side dishes and snacks are pot-luck. All other meals are on your own but cooking facilities will be available. There are large open areas for various game/activities, hiking or just kick back and enjoy the fresh smell of the pines, visiting or quiet time. There will be campfires Friday and Saturday evenings—you furnish the marshmallows, skits and entertainment. This is a family oriented event.

Directions: **From Phoenix** (last 9 miles dirt road), take I-17 north to the Munds Park exit. Follow the main road (FR #240) through Munds Park for 10 miles then make a sharp left on FR 132A.
