Greater Phoenix Orienteering Club - Getting There is ALL the Fun!

## Sat. May 9 - Thumb Butte Big Juniper

Escape the heat of the desert and enjoy a day of orienteering in the cool pines near Prescott. On Saturday, May 9, we'll offer three events plus a clinic for beginners.

### **Beginners' Clinic - 9 am**

We're happy to offer a beginner's clinic for those new to the sport or those who need a refresher on basic orienteering techniques. The clinic will begin at 9:00 AM. Allow two hours for the clinic, plus any additional time out on the courses

### **2-Hour Score-O**

A "Score-O" is an event where participants visit the controls in any order. Each control is worth a specific number of points, determined by the leading digit in the control number. A strict two hour time limit is enforced. The penalty for a finish time greater than two hours is 10 points for every minute late - so finishing on time is a key component to a successful strategy.

The terrain is mountainous, and predominately ponderosa pine forest. Steep terrain, rocky soil and forest debris tend to slow down cross country travel. There are virtually no cacti, but beware the New Mexican Locust bush, having thorns similar to a rose bush.

Due to the 40-foot contours, there is not a lot of

detail showing smaller reentrants. In lieu of that, smaller reentrants have been mapped as "shallow water channel" (dashed blue lines).

### **Classic Bike-O**

For our mountain biking friends, we're offering a Bike-O course that will give participants a nice tour of the Thumb Butte area while allowing them to practice their navigation skills. The Bike-O course is a Classic course which means that individuals and teams visit control locations in numeric order.

### **5-Hour Adventure Race**

For those of you who need a little more excitement, Saturday's events will include a 5-hour adventure race. During the adventure race, participants start the day by using a UTM tool to plot a number of points on a map then visiting the plotted points on foot. The Trek section of the race should take between 30 minutes and one hour to complete. Then there is a Bike-O section that will take 2-3 hours. Finally, contestants will visit the same controls as our 2-Hour Score-O participants. See the club website [gphxo.org](http://gphxo.org) for further information including a list of mandatory gear, rules, and detailed adventure race instructions.

**All courses close at 1:00 pm, with penalties for late finishers. For more event details, please visit our website at [gphxo.org](http://gphxo.org)**
