

WARNING—ADVANCED COURSE

Rock scrambling and boulder hopping are physically demanding and are at elevated risk of injury. Do not go anywhere where you are not comfortable. If slopes are too steep, back up and find a safer approach to the control. If you are not comfortable interpreting contour lines or are a beginner, start with controls 11 – 23.

Scale 1:5000

North

0 100m 200m

Contour Interval 5 meters

2023-04-16 Willow Dells Score-0

All controls	20 controls			
11	○			Hill
12) (Saddle
13) (Saddle
21	≡	12m	⊥	Foot of cliff, 12m high
22	≡	10m	⊥	Foot of cliff, 10m high
23	∩			Upper part of reentrant
31	∩			Upper part of reentrant
32	≡	10m	⊥	Foot of cliff, 10m high
33	∩			Upper part of reentrant
34	∩		⊥	Foot of spur
35	←) (W saddle
36	≡	15m	⊥	Foot of cliff, 15m high
37	∩		○	SE side of spur
