Hi Again Everyone,

We have plans for a group gathering this year in a meeting room at Holbrook High School. I'm not sure why we haven't done this before. Getting together in a meeting room seems a lot easier than making arrangements for 50+ people at a restaurant. We're planning to order 15 pizzas for the event, along with drinks and snacks. We're not asking for payment up front. We'd like anyone who participates to donate to pay for the pizza and snacks, maybe $5+ per person.

We'll gather at Holbrook High School from 6:00-8:00 PM. Directions are below.

Control Cards

Oh, and one clarification. The control cards we sent in the last e-mail are for your reading pleasure only. You don't have to print them out. We'll print control cards on waterproof, tear resistant paper, to minimize your ability to mangle the crap out of the cards so we can't read them.

Let us know if you have any questions.
